The Kansas City Regional Fox Trotting Horse Association is a non for profit organization which holds a yearly benefit horse show in the Greater Kansas City area. Our non-profit corporation charter number is N00011324.

Our Thirtieth Annual Show will be held on Saturday, August 9, 2008. Proceeds will benefit the **Northland Therapeutic Riding Center**. View their mission statement at <http://www.northlandtrc.org/>. Past shows have resulted in the donation of thousands of dollars for our selected charities and we hope to make this our best show ever.

We are requesting your help through a Show Sponsorship or Advertising in the Show Catalog/Directory. Our show and catalog reach not only the over 200 KCRFTHA members, but horse owners and enthusiasts throughout Missouri and Kansas as well. Sponsors will be recognized during the show and will be published in the Show bill.

Enclosed/attached you will find an order form describing available options, from Jackpot & Championship Sponsorships with a full page of advertising down to regular full page advertisements.

Sponsorships and advertising are essential for success of our project. Your generous participation will aid our effort to enhance the lives of the recipients and their families.

Please return the order form with your donation or ad payment to the catalog coordinator as shown on the form. Direct any questions to them or to me. Respectfully and thanks,

**George Hill**
