The Kansas City Regional Fox Trotting Horse Association is a non for profit organization which holds a yearly benefit horse show in the Greater Kansas City area. Our non-profit corporation charter number is N00011324.

Our Thirty-Second Annual Show will be held on Saturday, August 21, 2010. Proceeds will benefit the **Northland Therapeutic Riding Center** and help promote the Missouri Fox Trotter in the Kansas City area. View the NTRC's mission statement at <http://www.northlandtrc.org/>. Past shows have resulted in the donation of thousands of dollars for our selected charities and we hope to make this our best show ever.

We are requesting your help through a Show Sponsorship &/or Advertising in the KCRFTHA Catalog/Directory. Our catalog reaches not only the over 150 KCRFTHA members, but horse owners and enthusiasts throughout Missouri and Kansas as well. Sponsors will be recognized during the show and will be published in the Show bill.

Enclosed/attached you will find an order form describing available options, from Jackpot & Championship Sponsorships with a complimentary full page of advertising down to regular full page advertisements.

Sponsorships and advertising are essential for the success of our Show and Association. Your generous participation will aid our effort to enhance the lives of the recipients and their families.

Please return the order form with your donation or ad payment to the catalog coordinator as shown on the form. Direct any questions to them or to me. Respectfully and thanks,

Tony Crump
