

KCRFTHA Online Directory

KCRFTHA members may list information regarding their farm or business on the club's online directory. This is optional for our members and is provided as a free benefit.

Each member may list one directory listing in each category. The listing may be for any type of equine related (i.e. horses, trailers, saddles, trucks, tack, feed, etc.) business/farm; however, the business/farm must be owned by a KCRFTHA member. Two sections will exist for the directory: 1) Foxtrotting Horse Owners/Breeders and 2) Other.

***All directory listings will be submitted to the Newsletter Editor.
By doing this, the requester can verify the listing and they are approving
the use of personal information.***

The Directory listing will be included on the website for one (1) year, at which time the KCRFTHA should verify that all information including web links and phone numbers are still current. It is the responsibility of the member to verify this information. Once verified, the listing will continue to be included in the directory. Listing of members who have not renewed their KCRFTHA membership will be removed on November 1.

Listings may be submitted by regular mail, phone, or email to the newsletter editor. The following format will be used for listings.

With Web Link

Farm/Business Name (will be a link): Description, not to exceed 50 words.

Without Web Link
